Screenshot One

Take clean and **customized** screenshots of websites.

The screenshot shows the ScreenshotOne website homepage. At the top is a navigation bar with links for Scrolling Screenshots, Pricing, Docs, Blog, Customers, Sign In, Sign Up, and Book a demo. The main content area features a hero section with the heading "The screenshot API for developers" and a subheading "Render screenshots in one simple API call, instead of managing browser clusters, and handling all the corner cases." Below this are two buttons: "Start rendering for free --" and "Book a demo". A testimonial section at the bottom displays three customer reviews with their names and titles. A small chat bubble is visible in the bottom right corner.

Popkit

Add **social proof** to your website in seconds to increase sales and trust.

The screenshot shows the Popkit website homepage. At the top, there's a navigation bar with the Popkit logo, links for Features, Templates, Affiliate, and Pricing, a Login button, and a 'Try for free' button. The main headline reads 'Add social proof now. Start growing your conversions with social proof. Sign up >>'. Below this, three key benefits are listed with checkmarks: 'Quick setup. Begin adding social proof in 3 minutes.', 'Powering conversions. Add credibility to your website.', and 'Honest pricing. Try it for free and choose lifetime plan (\$49)'. A 'FEATURED ON' section shows logos for Product Hunt and Beta List. At the bottom, it says 'A better social proof toolkit.' and describes the platform's capabilities. A 'Product of the Day' badge is visible in the bottom left corner, and a chat bubble icon is in the bottom right.
