# 5. Tango.us

- Tango automatically documents any process and turns it into a step-by-step interactive walkthrough.
- Save you hours of the job!

The screenshot shows the Tango.us website. At the top is the Tango logo and a navigation menu with links for Product, Pricing, Enterprise, Blog, and About Us. There are buttons for 'Log in' and 'Install free extension'. The main heading reads 'Create how-to guides in minutes'. Below this, it says 'Plus embed your guides directly in the tools your teams use for interactive walkthroughs that are amazingly easy to follow.' There are two buttons: 'Install free extension' and 'Watch video'. On the right, a browser window shows a demo of the Tango extension. It highlights a 'Report List' button on a website, with callouts indicating: 'Embedded in your', 'Highlights where to click.', and 'Pops up when y'.
